

Here is a great sponsoring activity 'Big Check, Little Check'....

Ask for 2 volunteers, they can just stay in their seats: Say... ladies I know you all know someone that is currently looking for a part time job somewhere because they need extra cash. So let me just show you some examples of what that might look:

" Dana, what is your favorite place to shop? (steinmart, etc...) OK, you love Stienmart so much you decided to get a part time job there. You need some extra income but you only want to work 12 hours a week. So, They schedule you for 3, 4 hour shifts each week. At \$10 an hour, you are going to make \$120 a week & \$480 a month. Present her the small check (you can write her name in with dry erase marker if you want to laminate the check, but it's necessary). How does that sound??? Pretty good , hugh?"

"Katie, you love Premier Designs Jewelry so much that you decide to take on a part time job as a jewelry lady. You also have about 12 hours a week to devote to your part time job which equals 3 home shows. Since the average jewelry show retails \$500 & Premier pays 50% with NO quotas you are going to earn about \$250 profit per show. Going to work 3 times a week for about 4 hours just like Dana will earn you \$750 a week & (hand her the Big check), Katie – what does your check say???? That's right, its \$3,000 for working the same hours as Dana...Ladies, to let you in on a little secret... even if you just go to work 1 day a week (1 show-3-4 hours) that will earn you approx. \$1,000 a Month!!!!!! So if you are currently considering a part time job you owe it to yourself to check us out". Right now, just mark your survey so I can give you some free info to take home. I'm also going to pass around an invitation to listen to a free pre-recorded call that gives you all the scoop. (then you go around and give one to each guests-just take one because you may have a friend you can pass it onto). If you listen and text or call me within the next 24 hours, I have a beautiful versatile clip it I'll add to your order before we close out _____ jewelry show! Then talk to them more during check out to set appointment!!!
