

Sponsoring activity from Nancy Hanrahan

During the sponsoring section of your home show ask your guests to help you out by telling you “what would some Dream Job Qualities be if you had the perfect Dream job”! You will give them 1 ticket every time they give you a quality for a drawing later. You can also use this idea with the purse game and have the letter D for this section. After the guests start shouting out qualities, such as, “You get to be your own boss, you get to work when you want to, you get paid a lot, etc....”, then you close it out by giving your Premier story.

This is Nancy’s verbiage she uses...

“ Well Ladies, you actually just described my job. Selling Premier jewelry is *lot’s of fun* because I get paid to socialize! It is also *great money*. I make on average about \$200 per show. Not to mention that my shows are usually only about 3 – 4 hours of work, including my set up and close out. Another thing that is great is that I get to *make my own schedule*. I choose when I want to do home shows or collect orders. Premier doesn’t require a certain amount of shows each month, so if I only want to do two shows in a particular month, that’s what I do . Best of all, *I like my boss!* Probably because it is me! Now, if you want to know a little more about this opportunity, you will want mark it on your survey (or customer order form if you don’t use the survey) and I will give you some information to take home.
